

Chapter 10.16SCHOOL FLASHER SIGNALSSections:

- 10.16.010 Erection of lights.
- 10.16.020 Erection of signs.
- 10.16.030 Penalty for violation.

10.16.010 Erection of lights. Appropriate school crossing lights shall be erected on the west side of Long Street, also known as U.S. Route 45, north of the intersection of Long and Holden Streets, and on the east side of Long Street, south of the intersection of Long and Holden Street in the village, which signals shall provide for all traffic driving along Long Street in the village to come to a full and complete stop at the intersection of Holden Street and to give the right-of-way to school children crossing said intersection during school hours. Such signals shall be of the type ordinarily and customarily used in cities and villages in this state for school-crossing purposes, and shall provide a red stop signal similar to that used in traffic-control at intersections protected by stop lights in cities in the state. (Ord. dated 5/7/56 (part)).

10.16.010 Erection of signs. Appropriate cautionary signs shall be erected not less than one hundred feet north and south of the school crossing lights ordered erected by Section 10.16.010, indicating the presence of such a stop, and said crossing lights and signs shall be maintained by the village during the life of the ordinance codified in this chapter. (Ord. dated 5/7/56 (part)).

10.16.030 Penalty for violation. Any operator of a motor vehicle, motorbike or wagon who fails to yield the right-of-way to a child crossing at an intersection regulated by Section 10.16.010, or who fails to stop at said intersection as indicated by the crossing light, is guilty of a misdemeanor and shall be fined in an amount not more than twenty dollars nor less than five dollars for the first violation of this chapter, not less than twenty dollars nor more than one hundred dollars for any subsequent violation of this chapter. (Ord. dated 5/7/56 (part)).
