MISCELLANEOUS

There was an email from a resident asking about a Village clean-up day. We normally do them every-other year. Last year was the year we were supposed to have it, but it got cut because of the budget deficit. We will have to look into possibly having it this year.

There has been concerns about the recycling bins always being full. Trustee Ping asked Clerk Dalton to contact ABC to get records of bin pick-ups. We will also add signage to state that the service is for Village of Tolono residents only.

There was discussion around selling the water and sewer systems or raising the rates.

Motion by Ping, second by Stuber to adjourn the meeting at 7:43pm.

Respectfully Submitted,
Brandy Dalton, RMC, CMC
Village Clerk
